I, the undersigned, do hereby certify that the above information is true and correct to the best of my knowledge. I also understand that a permit for a temporary on-premise sign or advertising device shall require a permit on a semi-annual basis. (January 1 through June 30, then another July 1 through December 31) Once permitted, a banner or light may only be displayed no longer than 60 days during that permitted period. Inflatable advertising devices may only be displayed on no less than a four-lane roadway within a CAC/RAC classification, and once a temporary display permit has been issued, are allowed two (2) weekends each month during that permitted period, from 3:00 p.m. on Friday until 8:00 a.m. the following Monday. Only one (1) of the temporary on-premise sign or advertising devices (banner, inflatable or light) may be displayed on any lot at one time.
